Dear HR Manager,

This letter is being written to express my interest in the "Software Engineer" position located in Redmond, Washington. With my current pursuit of a Bachelor's degree in Computer Science and my hands-on experience with software engineering and machine learning, I am sure that I would be a great asset to your organization.

Some important background about me that would allow for me to effectively contribute to the success of the organization is that I have experience building machine learning and natural language processing pipeline using Python, and have used it to generate findings that we submitted to the IEEE ICSC 2018 conference.

Attached in my application is my resume which details my past work experience and personal projects for software development. I can be reached via cell phone at 856-905-6074 or by email at beattyg2@tcnj.edu. Thank you for your time and I look forward to speaking to you about the position.

Thank you,

Garrett Beatty
